

WINTER WEATHER

ADVISORY CHECK
\$24.95

Did you know that most breakdowns could have been prevented by having an overall inspection done on your car? At Jay's Automotive, we can identify areas of concern BEFORE they become problems and cause inconvenience or breakdowns.

For only **\$24.95**, we will inspect ALL critical systems on your vehicle, along with testing of the battery and starting system, to ensure that your vehicle will not let you down when the weather turns bad.

We will also provide estimates for any repairs that are needed, and work with you to prioritize what repairs are needed now, and which ones can be worked into your budget later.

Call us today to schedule yours!

Vehicle Inspection includes:

- All Fluids
- Wiper Conditions
- Lighting Operation
- Heater Operation
- Anti-freeze
- Suspension
- Belts & Hoses
- Battery
- Alternator
